This is a story of five unforgettable women - a hilarious and touching comedy about friendships that last forever...five southern women whose friendships began years ago on their college swim team, set aside a long weekend every August to recharge those relationships. Free from husbands, kids, and jobs, they meet at the same beachcottage on North Carolina's Outer Banks to catch up, laugh and meddle in each other's lives. And when fate throws a wrench into one of their lives, these friends rally 'round their own with strength and love that takes this comedy in a poignant and surprising direction. A must see for your summer entertainment.
